

NM DISTRICT QUALIFIER  
COACHES AWARENESS FORM

Please sign below that you are aware of AAU Basketball rules regarding the District qualifier in which you are participating.

1. If I receive a bid to the National tournament through this district qualfier, my roster is frozen. I cannot add or delete athletes, until after I participate in my District qualifier. I am also aware that I must remain in this same age division.

2. Teams that receive the invitation to the National Tournament MUST play in their

District qualifying tournament to retain their invitation. A team that receives the

invitation to the National Tournament and is unable to participate in the District

Qualifying Tournament (DQT) must submit a documented request to the Girls Executive committee, who will determine if the team is eligible to use the invitation.

After a team qualifies, whether in a SRT or DQT, and then finishes high enough to

qualify in a subsequent qualifying Tournament, the next highest team in that subsequent Tournament will also qualify for the Division I

National Championship.

3. Tournament certification: The tournament director can do one of two things to

certify the event:

**Option 1** *Make sure all participants sign the roster sheet at the event before they*

*participate and check the birth certificates. Send all signed roster sheets to Kathy*

*Campbell. This must be done no later than 10 DAYS after conclusion of the Super*

*Regional. Failure to do so may nullify your invitation.*

**Option 2** *If you can't do Option 1 then send all rosters, scoresheets and brackets to*

*Kathy Campbell, no later than 10 DAYS after conclusion of the Super Regional.*

**Failure to do so may nullify your invitation.**

Certification Chair: Kathy Campbell, 14828 Jarrettsville Pike,  
Monkton, MD 21111, 410-683-1355-Fax
